Welcome to our 2020 Wholesale Price List for Custom Services: Laser Engraving, Sand Blasting, and Sublimation. The layout of this guide is set up to follow our 2020 Awards of Distinction retail catalogue.

All custom services are completed in-house, and are available for products sold by Plastic Dress-Up Ltd.

HOW TO PLACE AN ORDER

- All custom orders must be submitted to our Custom Services Department custom@plasticdressup.ca
- A Custom Services Order Form can be found at the back of this guide. A digital .pdf version is available upon request.
- Email subject line should read: "Custom Order" "Company Name or Customer Number" and your "P.O. #_____"
- If you are placing a "repeat-order", please provide the previously assigned artwork confirmation number, e.g. AW # 1234
- All order specifications, including your required "in-hands date" must be included within your email.
- A size-as, black & white, camera-ready artwork & layout or template(s) should be attached.
- Any questions or concerns about your custom order should be directed to custom@plasticdressup.ca

TEMPLATES

All products shown in our Custom Services Guide have a corresponding size-as template available to you at no charge, on our website, www.plasticdressup.ca. We encourage you to download and work with these templates for the products you wish to have decorated prior to completing your artwork & layout. Your art preparation will not only go faster, but you will also be working with the correct scale of the product(s). Another benefit to having these templates is to provide your customer with a professional looking confirmation / layout of their award(s) before they are customized. When using our templates, be sure to note that they are designed to be used as a guideline only. The outside blue line is to symbolize the outside/perimeter of the product shape. The inside red line is to symbolize a suggested decorating area. Product sizing & dimensions can change without notice, and can also vary from piece to piece within the same product.

ARTWORK & LAYOUT

All pricing shown in our Custom Services Guide is based on black & white, "camera-ready" art, being provided to us, in an acceptable digital format. If additional artwork & design services are required due to low resolution or lack of layout, we will contact you with an estimated additional cost to have the artwork and/or layout improved. Please note, this will increase overall production time to your custom order. Artwork & design services are available at \$ 75.00 per hour. Acceptable digital artwork files consist of: Adobe Illustrator (.ai) up to CS6, Encapsulated PostScript (.eps), CorelDraw (.cdr) up to X16, and high-res, original Portable Document Format (.pdf). All file formats must have fonts "saved as outlines" or "converted to curves". Unacceptable file formats include: .bmp, .doc, .gif, .jpg, .jpeg, .pcx, .png, .ppt, .tif, .tiff, .txt, .xls. Artwork submitted in colour, gray-scale, gradients, or half-tones are acceptable for single or full colour sublimation services only, and are not acceptable for laser engraving or sandblasting. Artwork for laser engraving or sandblasting must be supplied in black & white only. Every custom order includes an artwork approval process which must be accepted and signed-off prior to any production / custom service(s).

ART RECONSTRUCTION & VECTOR SERVICES

Plastic Dress-Up Ltd. offers redrawing of artwork that does not meet our art specifications. Artwork provided in any of the above mentioned unacceptable file format(s) can be converted into vector format for an additional cost of \$50.00 - \$100.00 per design. The turnaround time for this service is approximately 24-72 hours.

SET-UP CHARGES

There is a basic \$ 25.00 set-up charge, including 3 sizes per part number, e.g. CRY00462A,B,C for each laser engraving and or sandblasting order. When different products are ordered at the same time, there is an additional set-up charge of \$ 10.00 per style. On repeat orders of the same products with only a name and/or year change, the set-up charge is \$ 15.00. There is a basic \$ 15.00 set-up charge for each sublimation order. On repeat orders, the sublimation set-up charge is \$ 10.00.

PERSONALIZATION OR LINE CHANGES

There is a personalization and/or line change charge of \$ 2.50 per name or category change per award / plate / layout.

PRODUCTION TURNAROUND TIME

Production time for standard orders is usually 5 to 7 working days after receipt of final artwork approval. Expedited turnaround time service is sometimes available depending on production. Please contact custom@plasticdressup.ca for confirmation of any rush requirement(s). Additional charges for rush production may apply.
